

SpectrAlert® Advance Weatherproof Plates

SpectrAlert Advance weatherproof plates enable flush mounting on a variety of wall surfaces.

Features

- Weatherproof per NEMA 3R
- For use with indoor and outdoor applications
- Flush mount outdoor and outdoor replacement models to brick, ceramic tile, concrete, and masonry brick
- For use with all K series (outdoor) products replacement -R models
- Universal mounting plate easily attaches to the weatherproof plate

The WTP series weatherproof plates enable installers to flush mount outdoor horns, strobes, horn strobes, speakers, and speaker strobes to a variety of wall surfaces, including brick, ceramic tile, concrete, and masonry brick.

These NEMA 3R-rated plates come in red and white to suit aesthetic and functional requirements. They may be used indoors or outdoors with outdoor devices, as required by conditions, and easily attach to the SpectrAlert Advance universal mounting plate.
